

Access the Statewide Paediatric HealthPathways in your region

Search for your region's HealthPathways: bit.ly/PHN_Map_locator*

<p>Gippsland http://gippsland.healthpathways.org.au</p> 	<p>Murray https://murray.healthpathways.org.au</p> 
<p>Melbourne https://melbourne.healthpathways.org.au</p> 	<p>Western Victoria https://westvic.healthpathways.org.au</p> 

* The South Eastern Melbourne PHN region does not have HealthPathways.

Example

HOW

1. Request access to your respective HealthPathways website.
2. Log in with the username and password.
3. Search key words using the search bar OR use the drop-down menu.
A navigation example to the Respiratory pathways suite

Project ICON on top of a statewide pathway

The screenshot shows the HealthPathways Melbourne website interface. A search bar is at the top. A navigation menu on the left lists various medical specialties, with 'Respiratory - Child' highlighted. A red circle labeled '1' is around the search bar, and another red circle labeled '2' is around the 'Respiratory - Child' menu item. On the right, under the 'Respiratory - Child' section, a list of sub-pathways is shown, with 'Acute Asthma in Children' highlighted and circled in red, labeled '3'. A 'Page Information' box is visible at the bottom right.

STATEWIDE PAEDIATRIC PATHWAYS AVAILABLE
