

# Webinar: Defining the Tier System

## Webinar Overview

Date launched: 23<sup>rd</sup> September 2021

Multidisciplinary Panel Presentation: 45 mins CPD

Source: Click <https://youtu.be/t0oOIQcc4yk> to access a recording of this webinar. Password: not required

### Session overview:

Megan Reilly will discuss the “Defining the Tier System”.

Megan Reilly is a registered general nurse and is the director of Hands-on infection control and holds her Master’s in health science (infection control). Megan is also a certified Immunisation Nurse and Gold Standard HH Auditor & Assessor. In this current climate primary care staff will find this an essential topic that will provide updated information and advice on maintaining a safe workplace for staff and clients.

### This webinar will:

- Provide practical advice on the understanding of the Government Tier System.
- Outline the role of the practice team in supporting implementation of explaining the tier system so that can be applied to the primary healthcare practice setting

### Question to consider:

- Reflect on how the material presented in the webinar is relevant to your practice?
- Based on the material presented in the webinar, will you make any changes in your practice?  
If yes, what might these changes be?
