Password: not required

Session overview:

Cheryl Frank will discuss the “Principles of IPC in Wound Care in Office Based Practice”.

This webinar will:

- Provide practical advice on the importance of promoting IPC in wound care. Use evidence-based recommendations of IPC and implement effectively into practice
- Apply safe practices to reduce wound infection
- Understanding the importance of using current educational resources

Question to consider:

- Reflect on how the material presented in the webinar is relevant to your practice?
- Based on the material presented in the webinar, will you make any changes in your practice? If yes, what might these changes be?
